A Poetic Thought: God's Valentine's Gift

Rev. Dr. Micheal Edwards

In my Christian Journey, Valentine's was a time for giving, until God opened my spirit to the wisdom of His Love—a Love with no bunches of flowers.

A Love with No Sweet Candy

A Love does not purchase a book

A Love not waiting for a table at a Restaurant

A Love sacrificially given
who came in a Virgin Birth

A Love that taught us to Love God, our
neighbors, and the Self.

A Love with an instruction to love our enemies
as well.

A Love with a Sweet Word of a Saving Hope

A Love to die for my sin

A Love with a powerful and everlasting joy

A Love that encourages me, reminding me day
after day, that God Loves Me

Happy Valentine's Day
