THE HOSPITALITY MINISTRY TEAM

The Inspirational Jar!

In the Bible, a "jar of clay" or "earthen vessel," symbolizes human brokenness, frailty, and vulnerability. During our fellowship time of Hospitality, we see the Jar within highlighting the power and grace of God residing within, even in the face of our challenges.

Philippians 4:13 states, "I can do all things through Christ who strengthens me".

Hospitality Ministry

Description for Planned Activities

The Hospitality Ministry seeks to provide activities for all ages and encourages connections.

Connections to God; Connections to Scripture; Connections to Others; Connections to Creativity
